B. Public Comments

Members of the Cache Creek Conservancy and land owners and businesses who were contacted expressed appreciation for the attempts to deal with problems they have experienced regarding off highway vehicle use. The Cache Creek Conservancy sent a letter directly to the Sheriff Department in support of the Sheriff Department and the efforts to deal with this matter.

Management of Syar Industries, a mining company sent a letter describing the problems they have had with trespassers in general. As stated in their letter, in the last 8 years Syar industries has spent in upwards of 31,360.00 to maintain a fence around their property, which has gotten vandalized on a regular basis.

A citizen of Yolo County (Amy Granat), who is active in the Off Road Community wrote me, "The OHV community strongly supports the LE grant from Yolo County, because of their strong support for OHV recreation". She said, "Thanks for talking with me the other day. I was very impressed with your interest and dedication to off-road interests."

C. Application Development as a result of Public Comments

- a. Were changes made to the Application as a result of public comments? (Please select ☒ Yes ☐ No Yes or No)

- b. Describe how public comments affected the Application

Comments from the public were helpful, in that they add insight as to what they expect from this program. Our programs would not be successful without their support.

Also, some areas which needed additional narrative description were added.
